Competition and development in skills linked to events inspires and motivates children to participate. This has an impact on their academic studies through improved behaviour and output lin lessons.

Linking to sports partnerships provides opportunities for classes to attend regular competitions against other local schools.

SSP provides opportunities to enter Level 3 competitions if they excel in Level 2 competitions.

Children will have an increased skill level in PE from better training and leadership resulting in an increased chance of success in competitive sport. These opportunities allow children to represent the school to compete against other schools in a competitive nature. This means more children are taking part in more physical activity with the added opportunity to be scouted to play at club level.
