

## Reception class newsletter

30th September 2022

It's been another busy week in the Reception class! Our focus story this week has been 'The colour monster' by Anna Llenas. This is a delightful story and a great one for exploring emotions. If you'd like to borrow this book to share at home with your child then please just ask one of the Reception team.

The children have all settled into the routine of the school day really well. A highlight for almost everyone is dinner time! Our little ones are loving their dinners and we're amazed at the number of clean plates every day! We discuss with the children the importance of making healthy choices

when choosing their dinner. So many of the children are loving their vegetables and fruit which is great to see.

Phonics work has been going strong again this week. Our focus sounds have been 'i' as in 'insect' and 'n' as in 'net'. We are delighted that so many of you are using the Floppy's phonics resources at home and supporting what we are doing in class.

We loved seeing so many of you in school today for our 'Welcome' liturgy. After a few years of Covid restrictions, it feels extra special to be able to welcome our families into school. If you couldn't attend today then don't worry as there

will be many more opportunities to come in to pray and  
celebrate with us.

Have a lovely weekend everyone,  
The Reception team.
