

Reception class newsletter

18th November 2022

We've been learning all about baptism this week as part of our RE topic 'Welcome'. The children have learned lots of new vocabulary connected to baptism and really enjoyed playing the roles of the priest, parents and Godparents as we role played a baptism in class. If your child is baptised then it would be lovely if you could show them some photos and mementoes from their special day. If you'd like to send some pictures in for your child to share with us, we'd love to see them. You can send these to us via 'Evidence me' to remove the risk of losing precious photographs!

Our focus story has been 'Kipper's birthday' by Mick Inkpen. We've enjoyed lots of other 'Kipper' stories too. The children loved decorating our home corner for a birthday party and have had lots of fun playing birthday parties in there. We

linked this to our maths as we've been learning about numbers 4 and 5 this week. The children have had to put the correct number of candles on the cake, set the table for the correct number of guests and have made birthday cards and banners with the numbers 4 or 5 on them.

We've been carrying out a phonics assessment in class over the past few days and we can't tell you how happy we are with the progress the children are making. We know that lots of you are using the 'Floppy's phonics' resources at home. If you haven't used them yet, then why not give them a try? Let us know if you need to be reminded of the login details.

Thank you all so much for being so supportive when we had our unexpected school closure on Thursday. We really appreciate all of the fantastic playing and learning you did at home with the children. Don't forget to send us some pictures on Evidence me if you did anything interesting.

Our children look fantastic today all dressed up for Children in need! What a fun day we've had!

Well, it certainly has been another busy week in Reception.
Lots of learning and lots of fun...just the way we like it!
Remember, if you've got any questions or concerns, please
don't hesitate to catch one of the Reception team.
