

Reception class newsletter

Week ending 10th March 2023

The highlight of the week has been the trip to Temple Park for the EYFS Multisport event. The children took part in a wide range of games including quidditch, netball, football and rugby. There was a huge focus on teamwork and co-operation. Our children were, as always, an absolute credit to the school. We were so proud of them and they thoroughly enjoyed themselves!

This week sees the conclusion of our 'Gathering' topic in RE. The children helped to plan a lovely liturgy in class to mark the end of our topic. We discussed what we've learned over the past few weeks. Our new topic is 'Growing' and we will have a lovely surprise for the children on Monday as part of this topic! Hopefully they'll be very excited to tell you all about this next week!

Our focus text this week has been an old classic, 'Rosie's walk' by Pat Hutchins. This book doesn't have a lot of text but there is a whole sub plot told through the illustrations. The children have loved acting out Rosie's journey, writing about the story and have even drawn some maps of her walk. If anyone would like to borrow this book to read at home, just catch one of the Reception team.

We're looking forward to seeing many of you in school next week for our special Mother's day liturgical prayer on Wednesday at 3 o' clock.

Have a lovely weekend everyone!
