

Welcome to Year 3

Year 3 is an exciting year as we move up to the junior corridor we become a little more independent.

Class Teacher: Mrs Squares

PPA cover: Miss Christie

Teaching Assistants: Mrs Thompson,

Miss Nicholson and Mrs Webster

When you arrive at school, you will come through the KS2 door - hang your things up in the cloakroom and come straight to class. I will be there to guide you on your first day.

Homework is given out on a Friday and returned the following Thursday.

You will also need to bring your reading book to school every day.

You will each have a tray where you can keep your reading book and homework diary. If you wear glasses, you can keep these in your tray too.

Miss Pennick will be teaching French every other Monday afternoon.

Bring your PE kit into school on Mondays and take it home on Fridays to be washed.

Children will be expected to go to the toilets at playtimes and the KS2 toilets are located in the KS2 cloakroom.

Mr Richardson comes in to teach singing and children can opt to join the KS2 choir.

We will be having a Stone Age workshop at the beginning of the year. We visit the Urban Factory in the Spring Term and have an Egyptian day in the Summer Term.

We have a class worry box that children can use to post their worries to the class teacher and a prayer station if you have anyone you want to remember in our prayers.

Look forward to seeing you in September!
