

Welcome to Year 5

Year 5 is an exciting year where we become a little more independent.

Class Teacher: Miss. Watson

PPA cover: Mrs. Sowerby

Teaching Assistant: Mrs Bell

Miss Pennick will be teaching French every other Monday afternoon.

When you arrive at school, you will come through the KS2 door - hang your things up in the cloakroom and come straight to class.

Homework is given out on a Friday and returned the following Wednesday. You will also need to bring your reading book to school every day.

You will each have a tray where you can keep your reading book and homework diary. If you wear glasses, you can keep these in your tray too.

The Year Five children will be trained as Sports Leaders and they will run Huff and Puff activities during break times.

Bring your PE kit into school on Mondays and take it home on Fridays to be washed.

We will do the Daily Mile every day.

Children will be expected to go to the toilets at playtimes and the KS2 toilets are located in the KS2 cloakroom.

Mr Richardson comes in to teach singing and children can opt to join the KS2 choir.

We will be visiting Jarrow Hall in Autumn and the beach in the Summer. We will be attending sporting events throughout the year.

We have a class worry box that children can use to post their worries to the class teacher and a prayer station if you have anyone you want to remember in our prayers.

Look forward to seeing you in September!
